TRADE PRICE LIST FOR NURSERYMEN AND FLORISTS

Carefully selected strains of imported and domestic seeds for the commercial grower. We are extremely careful with regard to purity and germination, and exercise the greatest care in filling your order.

Your order placed with us now insures the freshest of new crop seeds.

TERMS CASH. We expect remittance with order or satisfactory references from parties unknown to us.

PRICES quoted are postpaid, with the exception of Palm seeds in quantity; these will be sent express, charges collect.

We exercise the greatest care to have all our seeds pure and reliable, but they are sold without warranty and without responsibility, express or implied, in respect to the crop. All sales are made under these terms. Not less than one-half pound will be supplied at pound rates. Seeds will be packed in a manner that will permit their reaching destination in perfect order.

All tree, shrub and Palm seeds are specially treated before leaving this depot against Rust, Blight and Fungus disease.

It costs no more to plant live, fresh, dependable seeds.
